**We cellared our first case of wine in 1989, the same year we bought The Quiet Woman. The cellar was a locker at Hi Times and over the next five years we kept filling lockers with what we hoped would become a world-class wine cellar. In 1994 we built two cellars and finally got to drink and sell some truly spectacular wines. In 2011 The Quiet Woman received the prestigious Best of Award of Excellence, a distinction shared by only eight hundred restaurants worldwide.**

**Our wine list today reflects our dedication and commitment to quality and value with stellar selections at a minimal mark up.**

**As wine prices spiral out of sight, we invite you to do your wine shopping right here at the QW. All of the wines on our glass pour pages and many of our bottle selections are available for retail purchase by the case or bottle.**

**“one cannot think well, love well, sleep well,  
if one has not dined well.”**

Virginia Woolf

# About Our Wines

Wines that have a letter following the bin number are stored in our wine cellar. All cellared wines are stored at 55 degrees and 62 per cent humidity. The responsibility for proper wine storage is ours. The responsibility for choosing a wine is yours. Each wine matures at its own rate and at any given time some wines will be ready to drink and others will not. Should you choose a wine that you feel is not "ready" we will be happy to decant it. Should you choose a wine that we agree is corked we will be happy to replace it. Please choose carefully, for should you choose a wine that is too tight or too tannic or you simply do not like, our advice will be to drink up and try something else!

Red wine from the cellar will require approximately twenty minutes to come to drinking temperature and although whites will show extremely well at cellar temperature you may prefer a bit of additional chilling.

## Corkage

Wine is an integral part of the QW and we urge you to explore our reasonably priced, award winning wine list. If you should want to bring in a wonderful wine for a special occasion from your cellar rather than ours we will be happy to open it for you. Our corkage service is \$20.

Please refrain from bringing multiple bottles as corkage service is limited to one bottle per party.
