We cellared our first case of wine in 1989, the same year we bought The Quiet Woman. The cellar was a locker at Hi Times and over the next five years we kept filling lockers with what we hoped would become a world-class wine cellar. In 1994 we built two cellars and finally got to drink and sell some truly spectacular wines. In 2011 The Quiet Woman received the prestigious Best of Award of Excellence, a distinction shared by only eight hundred restaurants worldwide.

Our wine list today reflects our dedication and commitment to quality and value with stellar selections at a minimal mark up.

“one cannot think well, love well, sleep well,
if one has not dined well.”
