We cellared our first case of wine in 1989, the same year we bought The Quiet Woman. The cellar was a locker at Hi Times and over the next five years we kept filling lockers with what we hoped would become a world-class wine cellar. In 1994 we built two cellars and finally got to drink and sell some truly spectacular wines. In 2011 The Quiet Woman received the prestigious Best of Award of Excellence, a distinction shared by only eight hundred restaurants worldwide.

Our wine list today reflects our dedication and commitment to quality and value with stellar selections at a minimal mark up.

Wines that have a letter following the bin number are stored in our wine cellar. All cellared wines are stored at 55 degree and 62 per cent humidity. Should you choose a wine that you feel is not "ready" we will be happy to decant it. Should you choose a wine that we agree is corked we will be happy to replace it. Please choose carefully, for should you choose a wine that is too tight or too tannic or you simply do not like, our advice will be to drink up and try something else!

Corkage \$40

If you wish to enjoy a special bottle from your own cellar while dining with us it is our pleasure to provide corkage service. One 750 bottle per table for parties up to 4 or two 750 bottles per table for parties of 5 or more. Please note: corkage is unavailable for bottles on our list.
